

Rainy 22nd October, 2018

Last week was my birthday. I had a birthday party at home. My parents decorated the house with balloons and a banner. Dad gave me a robot. I was very happy.

At the beginning of the party, I made a wish. When I opened my eyes, I saw my little sister knock the robot off the table. I was very mad. My sister felt sad and scared. Dad comforted my sister and Mum was worried.

Dad said to me, ' I will buy a new one for you.' When we finished the birthday cake, we went to a shopping centre. We felt happy in the end.
