## A Day in Happy Zoo

Last Sunday, Alice and her family went to Happy Zoo.

They saw tigers elephants. Then they saw pandas in panda house. They felt happy. Finally they went to the duck pond. But Alice threw some stones into the duck pond.

And her father took a net to find the stones. Alice was very upset so she went to the duck pond and said sorry to the ducks. And the ducks forgave Alice, then Alice was happy.

It's good the ducks forgave ~~the~~ Alice. Well done!
