A Day in Happy Zoo

Went

Last Sunday, Alice and her family went to Happy Zoo.

They looked at elephants ^{and a} tiger. Then they looked at pandas. They felt happy but Alice and her family went to the Duck's Pond. Alice throw stones in the Duck's Pond and Alice felt fun.

But the man saw it. So he said "Little girl, stop right now. If you don't stop I will tell your Dad and Mum." And Alice is regretful.
