

## **A robbery**

Today my mum did not go to work. She took me to a coffee shop. We were eating a cake and drinking some juice.

Suddenly, we heard a loud cry, 'Help!'. Then, we saw a robber running out from the bank. He was carrying a big bag. He was escaping while the police were chasing him. Later, the robber fired his gun. We felt afraid so my mum called the police immediately.

After that, I heard someone shouted loudly, 'Cut!'. 'Oh no! This is a film!' I told my mum. We laughed together. I was glad because the robbery was not true.
