

## Miss Lam's Parting Words

I am very grateful to have spent two months here in Po Leung Kuk Dr. Jimmy Wong Chi-ho Primary School. I must first express my sincere gratitude to the school for giving me the opportunity to do my Teaching Practice here!

To be honest, it was quite overwhelming when I first arrived seven weeks ago. I was not very confident as I was new to the school and I hadn't known much about my students yet. I must thank Mr Yeung, Miss Yiu, my mentor, and many other teachers at WCH—for giving me teaching tips and insights! They extended helping hands to me when I felt unsure of myself. This supportive working environment motivated me to try a bit harder every day. Hence, I slowly gained confidence and found my style in the classroom.

As a student teacher, I came to WCH to learn to teach better. However,

as time flies by, I realised I have gained far more than experience. Students at WCH are kind and hard-working, and I am so happy to have taught 2A and spent time with 4D and 3D and many other students! I enjoyed having lessons, eating lunch and talking with all of you!

I am happy to have had the privilege to visit WCH students during their extra-curricular activities. It was very exciting to see passionate children

singing in the choir and dancing Chinese dance gracefully! Thank you for the teachers-in-charge for including me in the rehearsals.

Last but not least, I am grateful to have the chance to work alongside WCH's staff. My colleagues in room 307 are warm and encouraging whenever I prepared for my lessons. Also, the janitors in WCH are all very sweet and helpful! Thank you all for your gifts and kind words!

To conclude without being too dramatic: **I had the best time!** Thanks so much for everyone in the school for making me feel welcome and loved! I feel so honoured to have been your Miss Lam!

Yours,  
Miss Lam Wai Huen
