My fat cat

I see a cat.

It is fat.

It is on my hat.

It jumps to the mat.

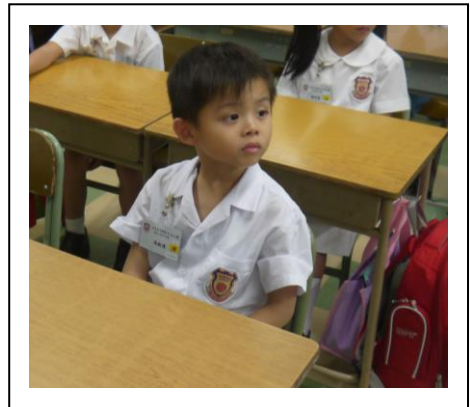

My friend

My friend is Rik.

He is sick.

He eats a cake.

But he doesn't know how to bake.

The countryside

By 1B

I see a bee.

It is on the tree.

I see a mouse.

It runs to the house.

I hear a pig.

It is big.

I hear a frog.

It is under the dog.

I smell some pears.

They are eaten by the bears.

I smell some chips.

They are on the ships.

I touch a cat.

It is under the mat.

I touch a bench.

It is near the beach.
