**My holiday in the countryside**

Today is a holiday. I am in the countryside with my friends.

First, I sit on the grass and paint a beautiful picture. I draw some trees, flowers, a hut and the sky in the picture. Next, Matthew goes to the country park. He flies a big red kite. The weather is cool. Then, Marco goes to the country park, too. He takes a photo of a butterfly. I want to play card games and play badminton with my friends, but Marco does not want to play card games. We only play badminton.

Finally, it is evening and it is time to go home. I feel very happy because the countryside is very beautiful.
