The Camping trip

Our class will be going on a camping trip together on 31st
July. We will go to Sai Kung for the camping
 trip by bus. It is about 27 kilometres to go there
 from our school. It takes one hour to get there.
 We should listen for the weather forecast so that you
 won't be in danger.

** (It is the campsite where we can do archery and
wall climbing). They sound exciting. Also, we can
 go fishing and windsurfing there. They are so
relaxing. We need to prepare some fishing rods and a
swimsuit.

I hope I can have an amazing camping
 trip!

Well done!
