Dear Adam,

Welcome to Hong Kong! I want to give you some suggestions what you can do in Hong Kong. ON the first day, You can go to Aberdeen, you can eat seafood there like prawns, fish, and crabs etc. Then, we can go to the Peak. You can see the beautiful view of Hong Kong.

On the second day, you can go to the theme park like Ocean Park. There are many games. You can take a ride on the rides. You can go to the shopping malls to buy clothes, shoes and food. You can take photos, too.

Finally, I want to tell you do not throw rubbish on the ground, because you have to pay fine if you do it.

Hope you will have an interesting trip in Hong Kong.

Best wishes,

Sonia

Dear Adam,

Welcome to Hong Kong! I have planned, when you come to Hong Kong, I will take you to have seafood and sight seeing in Aberdeen on the first day. It is a well known place.

On the next day, we will go to the Peak. It is on Hong Kong Island. We will go up to the Peak by the peak tram.

We can see the beautiful view in Hong Kong.

On the third day, we can go to the theme park-- the Ocean Park. There are many new exciting games, animals shows and delicious food stores there.

Finally, we will go to the shopping malls in Shatin Tin— The New Town plaza. There are a lot of well known shops for you to enjoy your shopping desire.

I am looking forward to see you soon.

Best wishes,

Sonia
