Subject : The Warning (Signal No. 10)

Hi Wesley, ^{Typhoon} (Typhoon Warning Signal No. 10)

You won't believe what happened to me last night in Hong Kong!

At around eight o'clock, the weather reporter said, 'Typhoon warning signal No. 10 will be force soon'. My Dad and I needed to prevent the typhoon.

Next, My Dad put the tape across the large windows and I took the flower pot and ~~books~~ from the windows.

Suddenly, the strong wind broke the windows so the rain rushed into the flat, and the room was like a pool. It was a mess.

My Dad and I felt shocked and frightened.

Finally, I asked my mum to come back immediately. Then, she helped to tidy up the flat quickly. Dad and I felt relieved.

Yours,
Daniel
