Subject : Typhoon Warning Signal No. 10

Hi Wesley,

You won't believe what happened to me last night in Hong Kong!

The weather reporter announced that Typhoon Warning Signal No. 10 will be in force soon. My Dad and I needed to take <sup>precaution</sup> Dad fixed the tape onto the windows. I took flower pots and books away from the window.

Suddenly, the strong wind broke the windows. The rain rushed into the flat. The room was like a pond. It was a mess. My Dad and I felt frightened and shocked.

Finally, I asked my mum to come immediately. Then, she helped to tidy up the flat quickly. Dad and I felt relieved.

yours,

Daniel
