

An Unforgettable Experience

Hi Liz,

You won't believe what happened to me yesterday.

Yesterday was a sunny day, so my family took me to Sai Kung Country Park for a picnic. We prepared a lot of delicious food and drinks for our family picnic.

When we arrived the country park, it was almost twelve o'clock in the afternoon. So

Mum spread a picnic rug quickly under a big tree, and took out the food and arranged them on the cloth.

While we were enjoying the yummy food, a hungry monkey suddenly grabbed our apples and gazed at us. My Mum and I felt very scared and began to ~~shiver~~ But Dad was very brave. He tried to chase the monkey away with a stick. After a few seconds, the monkey was angry. It clawed Dad's hand's. All of us were terrified and screamed loudly.

Luckily, a park keeper came and shouted at the monkey. It ran away quickly. We thanked the park keeper and went to the hospital immediately.

I hated the monkey very much because it ruined our family picnic and I won't go to this country park again!
