

Chung Ka Wai Hi Liz,

6A (7)

You won't believe what happened to me yesterday, yesterday was a sunny day. My parents took me to Sai Hung Country Park for a picnic.

We bought a lot of delicious food and drinks, I was excited because it was my first time to have a picnic in the country park.

When we arrived at the country park, Mum found a lovely picnic spot near a big tree. We ate the delicious food and played games. I enjoyed the time very much.

Suddenly, a hungry monkey quietly came towards us and gazed at a box of apples and then

grabbed it. We were scared and angry. Dad wanted to chase the monkey away but the monkey was not afraid of Dad. He grabbed Dad's arms and Dad was hurt. We called the visitors for help. They were nice and helpful. They helped us to call an ambulance immediately. When the monkey saw the helpers coming, it was scared and ran away quickly. At last, Dad sent to the hospital. We felt relieved.

It was an unforgettable experience to my family and me!
Yours,
Liz
