My best friend

My best friend is Siu Ming.

He is tall and strong. He has big eyes, small mouth and very strong arms.

He never tells lies and gets good marks at school. I think he is honest because he never tells lies.

He helps classmates and teachers at school. The teachers usually said, 'Siu Ming is a good student!' I think he is helpful because he always help us.

He shares his snacks to me when we back home, so I share my snacks to Siu Ming too.
