

Do not litter!

By 3RE Chan Tsz Chiu, Charlie

Peter and his mum like going to the beach. They have a picnic and build sandcastles there. When they have a picnic, Peter litters. His mum is shocked. She says, 'Do not litter. Put the rubbish into the bin.'

Peter does not listen to his mum. He throws a plastic fork when he is eating a drumstick.

There is a girl walking near the fork. She cannot see the fork. She steps on the fork and her foot is injured. Peter says sorry. Peter helps the girl. At last he puts all the rubbish into the bin. He wants to keep the beach clean.
