

My Accident

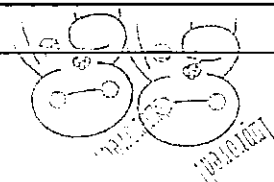

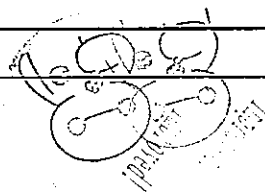

At the Mid - Autumn festival, my family, relatives and I were having family dinner. We were talking about what we would do after the dinner.

After dinner, we ate starfruit and mooncakes. We also chatted with each other on the rooftop. My cousin and I played with lanterns. The food was delicious and we were relaxed.

Suddenly, the lanterns were on fire. I said, 'Oh no! It's on fire!' And my brother said, 'It is very dangerous.'

Finally, we put out the fire. After this experience, I understand that we should play the lanterns carefully.

Fluent and easy to understand! Keep it up 😊
