### MY BEST FRIEND AND I

My name is Eugenie. I am as helpful as a teacher. I always help my teacher and classmates. Also, I am as clever as a bird. I solve the mathematic question quickly. My skin is as yellow as honey and I am tall like a door.

My best friend is Tammy. She is a girl who is gentle like a lamb. She's polite to anyone. She is as kind as my mother. I love to play with her. Her hair is black like ink and her glasses is as purple as a flower. She is beautiful. = are (are ✓)

Tammy is my best friend because we both like making handicrafts and visual arts. We trust each other and we share our secrets together. I hope our friendship can be forever.
