

## A strange dream

By 6D Bosco Wong

I had a strange dream last night. I was lost in the jungle. I saw a lot of dangerous animals. I saw some crocodiles in the swamp. I saw a snake on the tree and a lot of bats flew in the sky. They were so scary.

Then I kept walking in the jungle. I saw a beautiful parrot. I followed it and it took me to a beautiful garden. I felt happy. I slept on the grass. It was comfortable.

Suddenly, a thunderstorm came. The wind blew me up into the sky. I was very frightened and shouted. Then I woke up and found that I was on my bed.
